

Dear Valued Juniper Riviera County Water District Residents,

We are writing to inform you of a water main break in the northern area of Juniper Riviera's water system on Milpas Road. This break has caused a temporary disruption to the water service in the affected area. The break was caused by an unexpected ground shift due to the recent weather.

Impact of the Water Main Break:

- **Temporary Water Service Disruption:**
You may experience low water pressure or a temporary interruption to your water service.
- **Potential for Water Quality Issues:**
We monitor the water quality and will provide updates if any boil water advisories are necessary.
- **Traffic Delays:**
Road closures and traffic delays may occur while repairs are underway.
What to Expect:
- **Repair Timeline:**
Work crews are diligently working to repair the water main. We anticipate the repairs will be completed within a day.
- **Updates:**
We will provide updates on the progress of the repairs and the restoration of water service as soon as possible. Please check www.jrcwd.org for the latest information.
- **Contact Information:**
If you have any questions or concerns, please get in touch with us at 760-247-9818 or dsmith@jrcwd.org.

We appreciate your patience and understanding as we work to restore water service as quickly and safely as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel B. Smith".
